SCHOOLS, PROGRAMS, AND DEGREES

School of Undergraduate Studies

Interdisciplinary Studies (B.A.)

Psychology (B.S.)

School of Professional Psychology and Health

Applied Psychology (M.A.)

Clinical Psychology (Psy.D.)

Counseling Psychology with a concentration in Community Mental Health (M.A.)

Counseling Psychology with a concentration in Drama Therapy (M.A.)

Counseling Psychology with a concentration in Expressive Arts Therapy (M.A.)

Counseling Psychology with a concentration in Integral Counseling Psychology (M.A.)

Counseling Psychology with a concentration in Somatic Psychology (M.A.)

Integrative Health Studies (M.A.)

School of Consciousness and Transformation

Anthropology and Social Change (M.A. and Ph.D.)

East-West Psychology (M.A. and Ph.D.)

East-West Psychology with a concentration in Asian Contemplative and Transcultural Studies (M.A.)

East-West Spiritual Counseling (Certificate)

Eco-Resilience Leadership (Certificate)

Human Sexuality (Ph.D.)

Interdisciplinary Arts and Writing (M.F.A.)

Integral Ecology (Certificate)

Philosophy and Religion with a concentration in Ecology, Spirituality, and Religion (M.A. and Ph.D.)

Philosophy and Religion with a concentration in Philosophy, Cosmology, and Consciousness (M.A. and Ph.D.)

Philosophy and Religion with a concentration in Women's Spirituality (Ph.D.)

Philosophy, Cosmology, and Consciousness (Certificate)

Psychology with a concentration in Integral and Transpersonal Psychology (Ph.D.)

Psychology with a concentration in Somatic Psychology (Ph.D.)

Transformative Leadership (M.A.)

Transformative Studies (Ph.D.)

Women, Gender, Spirituality, and Social Justice (M.A.)

CIIS MISSION AND COMMITMENTS

California Institute of Integral Studies (CIIS) is an internationally recognized leader in integral education. CIIS has an enrollment of more than 1,500 students pursuing degrees in more than 25 academic programs in its schools of Consciousness and Transformation, Professional Psychology and Health, and Undergraduate Studies. In addition, CIIS hosts a vibrant art exhibition program through The Arts at CIIS and offers a dynamic array of events through its Public Programs division, including conversations, workshops, continuing education, and certificate programs. The University provides affordable mental health and acupuncture services to the San Francisco Bay Area through its eight award-winning clinics. CIIS is accredited by the WASC Senior College and University Commission (WSCUC).

Mission

CIIS facilitates radical transformation through unique and dynamic educational experiences in the service of self, society, and Earth. We also commit to living our seven cherished values, and in so doing lay the foundation for a strong and unified community built upon wisdom, trust, and collective spirit.

Vision Statement

CIIS expands the boundaries of traditional degree programs with transdisciplinary, cross-cultural, and applied studies utilizing face-to-face, hybrid, and online pedagogical approaches. Offering a personal learning environment and supportive community, CIIS provides an excellent multifaceted education for people committed to transforming themselves, others, and the world.

The Seven Commitments of CIIS

The following seven commitments reflect CIIS' goals in creating its educational programs and its university community. These commitments are aspirational statements intended to advance the mission of CIIS.

1. Embody integral approaches to learning and research.

CIIS is committed to studies and practices that cross traditional disciplinary boundaries. We value the intellectual, emotional, spiritual, imaginal, creative, somatic, and social dimensions of human potential.

2. Affirm and elevate spirituality.

The University is committed to studies and practices of multiple spiritual and wisdom traditions and to their expression and embodiment throughout the university community. While no one tradition is shared by all, the importance of the spiritual dimension of life is affirmed.

3. Advance diversity, equity, inclusion, and social and ecological justice.

CIIS strives to reflect the diversity of the world's peoples, cultures, and spiritual traditions. We embrace traditions that support emancipatory movements such as feminism, and social and political liberation.

4. Embrace multiple ways of knowing, learning, and teaching.

CIIS honors many learning modalities and ways of knowing, providing a rigorous and transformative education across all learning approaches.

5. Cultivate innovation and sustainability.

Recognizing that business as usual threatens the integrity of life on Earth and perpetuates structures of oppression, we strive to generate creative alternatives leading to a just and flourishing world.

6. Nurture and support a flourishing and cohesive community.

CIIS is committed to providing a welcoming community for all people, recognizing that acceptance is vital to providing an effective, visionary, and nurturing environment for integral education.

7. Foster transformative integral governance.

CIIS strives to create holistic organizational interaction among all members of its community. This commitment stands as a constant challenge to try new forms, procedures, criteria, and language that reflects a more progressive and collaborative decision-making process.

PRINCIPLES OF COMMUNITY

Step Out Of Your Comfort Zone

Try on new ideas, concepts, processes, behaviors before automatically rejecting them because they are different from your experience.

Participate Fully

Let go of all the other things you need to be doing and be present in the moment. Participation looks different for everyone.

Us “I” statements

Practice self-focus: pay attention to what you are feeling and thinking.

OK to disagree

It's a necessary part of accepting differences.

Not OK to blame, shame, attack

Or discount self or others. Remember that this can happen on a verbal or non-verbal level.

Intent and Impact

Be aware that it is possible to have a negative impact on an individual despite best intentions.

Check out your assumptions

Ask questions of yourself and others instead of jumping to conclusions.

Confidentiality

Anything said of a personal nature should not be shared without the person's permission.

ACADEMICS

Integral Education at CIIS

Education at CIIS is designed to foster rigorous intellectual development and personal growth through self-reflection. We believe that teaching and learning are most effective when they recognize and reflect diverse ways of knowing and connect difference and similarity. CIIS advances the education of the whole person (body, mind and spirit) by integrating knowledge of the interior and exterior dimensions of our lives.

Committed to building a better and more inclusive world, academic programs encourage students to pursue inquiry that transcend disciplinary boundaries and situates their work in communities outside their own.

Accreditation

Since 1981, the University has been accredited by the Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WSCUC). WSCUC's contact details are as follows: 985 Atlantic Avenue, Suite 100, Alameda, CA 94501; 510.748.9001.

CAMPUS FACILITIES

CIIS academic programs operate from one main building in San Francisco, all within walking distance of the cultural centers of the city. Sites of interest nearby include the San Francisco Main Public Library, the San Francisco Opera, Davies Concert Hall, Yerba Buena Center for the Arts, the Asian Art Museum, and the city's main shopping district.

Hours

Mission campus hours, when school is in session, are typically Monday to Saturday 8am to 6 pm and Sundays 8am to 5pm when classes or events are scheduled. We are typically open Monday to Saturday 8am to 6pm during semester breaks and closed on Sundays.

Please check Campus Hours on the home page of CIIS Connect.

You can also get up-to-date information on the hours by calling the Main Reception desk at 415.575.6100. Below are the regular and semester-break hours.

Email Welcome@ciis.edu with any questions about campus access.

If a closed door office is needed, please email the Office of Campus Experience & Events at OCEE@ciis.edu to make a reservation in advance.

Building/Location	Regular Hours	Semester-Break Hours
Main Campus 1453 Mission Street	Mon–Fri 8 a.m.–6p.m. p.m. (8a.m.–8p.m. when evening classes are scheduled) Sat 8a.m.–6p.m. (8a.m.–8p.m. when evening classes are scheduled) Sun When classes or events are scheduled	Mon–Fri 8 a.m.–6 p.m. Sat/Sun-when classes or events are scheduled

Art Galleries

1453 Mission Street, Desai | Matta Gallery in the 1st floor lobby, the second, third and fourth floor corridors, as well as the 3rd floor café. Works from our collection can be found throughout campus in classrooms, offices, and in-between spaces.

The Arts at CIIS maintains an active program of exhibitions each year, making visible a diverse array of voices grappling with today's urgent social, ecological, and aesthetic questions. The Arts at CIIS promotes dialogue across disciplines, and within and between communities, about the arts, visual culture, and social change.

THE ARTS AT CIIS SEEKS TO SUPPORT ART WORKS THAT:

- are research-based, process-oriented, risk-taking, and critical in nature.
- promote pluralism and a complex understanding of our distinct and overlapping histories.

- pose critical questions informed by a deep engagement with context, from the local to the international.
- advance resilient and interdependent communities.
- are created by emerging artists while presenting a platform for intergenerational dialogue.
- are in critical dialogue with the history of CIIS, informing and rendering more complex our understanding of that history in the present day.
- foster integral and interdisciplinary connections with the CIIS community and academic curriculum.

Counseling Centers

The Institute has six counseling centers in San Francisco that serve as professional training facilities for students and as community service agencies for the public.

Integral Counseling Centers

Associated with the Integral Counseling Psychology program, therapists here take an integral approach to healing that recognizes the interrelationships among mind, body, and spirit.

- Church Street Center, 1782 Church Street, 415.648.2644
- Golden Gate Counseling Center, 507 Polk Street, Suite 440, 415.561.0230
- Pierce Street Center, 2140 Pierce Street, 415.776.3109

Somatic Psychology Counseling Center

Associated with the Somatic Psychology program, this center offers the community affordable psychotherapy based on body-oriented approaches integrated with other therapeutic modalities. Address: 312 Sutter Street, Suite 410, 415.271.8895, 415.558.0880

Clinical Psychology Doctoral Program

Associated with the Doctor of Psychology program, the “Psychological Services Center” provides psychological services and testing while functioning as a training facility for advanced students in the Doctor of Psychology program. Address: 507 Polk Street, Suite 420 415.346.1011

Clinic Without Walls

Associated with the Community Mental Health program, this clinic uses a wellness model where psychotherapy is part of a broad approach that includes linking the clients to resources to help with nutrition, parenting, exercise, transportation, and other needs.

Sri Aurobindo Meditation Room (Second floor, Room 212)

The Sri Aurobindo Meditation Room, a space initiated by students, is dedicated for silent meditation, prayer, and contemplation. This room is open during all open hours of operation and is available to all current students. No shoes, beverages, or food are allowed in the Meditation Room.

Student Breakroom (Fifth floor, Room 548)

The Student Break Room is an inviting space for students to eat, relax, converse, or study. The room is equipped with a refrigerator, a microwave, and a sink for storing and preparing your food. All food stored in the Student Break Room must be labeled

with your name and an expiration date.

4th Floor Staff/Faculty Lounge (4th floor, Room 424)

The Faculty/Staff Lounge was just recently renovated and is a space for faculty and staff to gather, eat and relax. It is fully equipped with a refrigerator, microwave, toaster oven, tea kettle, water filter and sink with garbage disposal.

CAMPUS SECURITY

Safety and Security

It is the policy of California Institute of Integral Studies to prevent, respond to, and defuse any incident with the best available care and precaution. To help create a safe environment, CIIS encourages students, employees, and guests to be aware of its policies, to be responsible for their own safety and the safety of others, and to report any crime or suspicious activity immediately to the ground-floor lobby Security Desk, or anyone at the Main Reception desk on the fourth floor (Mission Campus).

The Facilities Department oversees our security procedures/policies and works closely with the Student Affairs and Human Resource Offices to ensure that these operations are monitored, maintained, and enforced equally. A security officer is on duty during all hours of operation.

Campus Access

See “*Campus Facilities*” above for current information about access to the building.

CIIS issues photo identity cards to current students, faculty, and staff. This card is produced by the Registrar’s Office (Room 405). ID cards are not transferable. Everyone, upon entering the campus, is required to either present a valid CIIS ID card or be signed in using a government-issued photo ID. Student IDs are considered invalid without a current sticker. Anyone on campus must carry their CIIS ID and be prepared to present it when asked by CIIS personnel.

Reporting and Response Procedures

Any member of the CIIS community who experiences or witnesses an incident that is threatening or dangerous should immediately dial “911” (9+911 from any campus phone) to reach San Francisco emergency response services. For non-life-threatening disruptions or emergencies, we encourage you to contact at least one of the following:

- The receptionist in the fourth-floor reception area
- Any member of the Facilities Department team
- Any other CIIS employee, including all staff and faculty

After contacting emergency services, call the CIIS Security officer at 415.575.6101 (or ext. 6101 from any campus phone) so that they are aware of the situation and can assist.

Crime Survey

The University is committed to timely reports to the University community of any crimes that were reported or known to have occurred at any of its locations. The Student Right-to-Know and Campus Security Act was passed by Congress in 1990 in response to concerns about crime and security at postsecondary institutions. This Act requires institutions participating in student financial aid programs under Title IV of the Higher Education Act of 1965 to disclose information about campus safety policies and procedures and to provide statistical information concerning whether certain crimes took place on campus. The Dean of Students and the Director of Operations are responsible for collecting crime statistics, with cooperation from the

San Francisco Police Department.

Emergency Notifications

The e2campus system is used to provide timely emergency notifications to students. This system utilizes email, text, and phone calls to alert students to emergencies such as campus closures, power outages, and emergency situations. Students provide their appropriate contact information for these emergency announcements through the Personal Contact Information Update Form when they register and/or look at their class schedules each semester.

CIIS is all within walking distance of the cultural centers of the city. Sites of interest nearby include the San Francisco Main Public Library, the San Francisco Opera, Davies Concert Hall, Yerba Buena Center for the Arts, the Asian Art Museum, and the city's main shopping district.

TECHNOLOGY

CIIS Email Policy

CIIS Email accounts are assigned to adjunct faculty after a member from the Provost Division has approved them for teaching. If you have any questions about your CIIS.edu email account, please email support@uswired.com

University systems require your university email address and email password to access. The university utilizes single-sign one for user convenience and multi-factor authentication (MFA) for system security. Users will be prompted to set-up email recovery options and MFA when they first log-in to their university email.

CIIS will communicate with you through your university email account (name@ciis.edu). You are expected to 1) check it regularly; 2) correspond with CIIS through it; and 3) not share your password. This assures that you, and only you, receive the emails we send, and that the emails we receive are coming from you, and not someone posing as you. This both keeps you apprised of important information and helps protect your information and identity.

CIIS students are expected to communicate with you through their CIIS account (name@MyMail.ciis.edu) and you are expected to communicate with them using their CIIS account and your CIIS account.

The university email account is on the Outlook platform and is part of a suite of free Microsoft Office 365 applications now available to you such as Word, Excel, and PowerPoint, and storage on One Drive. These are all cloud-based and are accessible through a web browser. It is the only email account that CIIS requires that you use.

CIIS owns these email accounts and reserves the right to lock or purge them for faculty who violate the university policies found in this handbook.

To access your account, log in to <https://outlook.office365.com> and use the following:

- Email Address/Username: XXXXX
- Temporary Password: XXXX
- During your first login, you will be prompted by Microsoft to create a new password and to setup your password recovery questions and answers, as well as install the required Microsoft Authenticator app to enable multi-factor authentication (see below for more details)
- If you need assistance with logging in, email support@uswired.com.

Canvas

For assistance with the Learning Management Platform (Canvas), contact OnlineLearningSupport@ciis.edu.

Wireless Internet Access

At the CIIS Main Campus on Mission Street, Adjunct Faculty connect to CIIS.WIFI6 and enter the passcode **wifi4facultystaff**. You will then be prompted to enter your CIIS email address and your CIIS email password.

Photocopy Code

Discuss your semester teaching needs with your Program/Department Chair and Coordinator/Manager. They can provide you with a photocopy code.

CIIS Identification

All adjunct faculty must obtain a CIIS-issued identification card. CIIS-issued identification is required for entry into CIIS buildings at all times. If you are not in possession of your CIIS ID, you may present any government-issued photo ID (such as a driver's license) and will need to sign in. If you have no photo ID, you will not be allowed to enter the building. Limiting entry to those who can verify that they are students, faculty members, staff and guests with legitimate business, follows our security policy.

Email the Registrar's Office (registrar@ciis.edu) to make an appointment to obtain a CIIS ID. Please bring a government-issued photo ID with you for verification.

Multi-Factor Authentication

CIIS requires all students, core and adjunct faculty, and staff to download the Microsoft Authenticator app. This multi-factor authentication (MFA) process helps ensure the security of both your own identity and the community's information and data. You must use the Microsoft Authenticator app, another MFA application will not be accepted. Follow the steps below to enable MFA using the Microsoft Authenticator app.

Step 1. Install the Microsoft Authenticator app on your smartphone or Wi-Fi equipped tablet

- a. For Android users: [Microsoft Authenticator on Google Play Store](#)
- b. For Apple users: [Microsoft Authenticator on iOS App Store](#)

Please ensure that you are downloading the correct app. Microsoft Authenticator will never ask you to pay a fee at any time. Apple users please note, the iOS App Store allows for advertisements to be placed as the first search result. To ensure that you are downloading the correct app, verify that the app is not listed as an ad and that the app has the correct name "Microsoft Authenticator" and icon as shown.

Android

Apple

Step 2. Log in on your computer

- a) On your computer, open an internet browser and go to office.com (<https://www.office.com/>).
- b) Log-in with your CIIS email address and email password.
- c) Select Next on the screen that informs you "More information is needed."
- d) Select the button Receive notifications for verification.
- e) Your screen will now display a QR code.

Step 3. Scan QR Code

- a) Open the Microsoft Authenticator app on your device. Accept notifications, etc. until you arrive at the screen "Add your first account."

- b. Select add Work or school account
- c. Select Scan QR code
- d. Scan the QR code with the Authenticator app
- e. Your CIIS account should now be visible on your Authenticator app home screen

Please note, if after scanning the QR code, you receive the message "QR code has been used before," select Next.

Step 4. Approve notification on your device

- a. Select Next on your computer.
- b. Microsoft will send a test notification to the app on your device.
- c. Enter the number displayed on your computer into the notification entry box.
- d. Select "Approve" on the notification to complete MFA set-up.

Step 6. Set up Password Recovery

- Once the request has been approved, select Next on your computer.
- You will now be asked to input a phone number that can receive SMS Text Message notifications.
- Select Next.
- You will receive a 6-digit code sent to the phone number listed.
- Enter that code into the field in your computer and select Next.

Step 7. Final Approval

- You should now see a screen listing all of your multifactor authentication methods.
- Select Done.

MFA has been successfully installed!

If you encounter any issues, or require additional support, please reach out to dot@ciis.edu

ONLINE COURSE PLATFORM

Canvas is the University's Learning Management System (LMS) Log-in with your university email address and email password here: <https://ciis.instructure.com/>

Find updated information and resources on Online Learning's Knowledgebase: [CIIS Knowledgebase – Online Learning Support \(vclhub.com\)](#)

Access live chat support for virtual course meetings here: www.vclhub.com

Canvas Course Spaces

All academic courses (e.g., face-to-face, blended/hybrid, online) at CIIS have an associated Canvas Learning Management System (LMS) virtual, online course space accessible at ciis.instructure.com

Pandemic response virtual instruction modality format information: [Virtualized and Hybrid Courses – CIIS Knowledgebase \(vclhub.com\)](#)

Enrollment in a Canvas Course Space

A faculty member is enrolled in a Canvas course space(s) once they have been assigned to teach a course(s) in the student information system; a student is enrolled in a Canvas course space(s) once they have successfully registered for their first academic course(s) (no enrollment holds). Enrollment in Canvas course spaces is done by an automated process between the University's student information system and Canvas that can take up to 24 hours from the time a faculty member is assigned to a course or a student successfully registers for their first academic course.

Canvas Course Space Access

Canvas course spaces are made accessible to students by faculty. Once made accessible, full course space functionality is available from 14 days prior to the start of a course's term.

All Canvas course spaces conclude on the day that grades are due for a term and faculty and students maintain access to concluded Canvas course spaces indefinitely in a read-only format (refer to the CIIS academic calendar for specific term dates). The read-only format of concluded courses allows faculty and students to return to a concluded Canvas course space(s) at any time in the future from the CIIS Canvas website (ciis.instructure.com) to download course materials and past assignment submissions.

Special Circumstances (Incompletes)

Students who are granted an incomplete for a course may be provided temporary access to a Canvas course space after it has been concluded only to submit an assignment(s) through the Canvas assignment feature. Email onlinelearning@ciis.edu for information after an incomplete has been granted for a course if the student needs to access Canvas to submit an assignment.

Special Access and Policy

Access to a Canvas course space(s) is guided by FERPA and policies established by the Human Resources, Provost, and Registrar's offices. All access to Canvas course spaces outside of established policies must originate as a registration record in the University's

student information system or upon approval of the Human Resources office. This includes any access by auditors, resident scholars, visiting scholars, teaching assistants, guest lecturers, and all other individuals not enrolled in a Canvas course space via the University's student information system.

Privacy

The CIIS Canvas website is not public and is not in any way searchable externally. All communication (through the Canvas grade feature) between a student and a faculty member is private, as is all content of any submitted assignment (through the Canvas assignment feature).

Grades

The Canvas gradebook is an LMS feature that allows an instructor to provide feedback on an assignment(s) and for a student and instructor to privately communicate about a student's submitted academic work in Canvas. The Canvas gradebook feature may include letter grades and a final grade for a course(s); however, a student's official grade for any course (as it appears on the student's official University transcript) is viewable only on the Colleague Self-Service.

International faculty and students

The CIIS Canvas website, ciis.instructure.com, is expected to be accessible anywhere with an internet connection. If you experience an inability to connect to CIIS Canvas from outside of the United States, please email onlinelearning@ciis.edu for support. For up-to-date Canvas Internet browser compatibility information, visit: [What are Canvas browser and computer requirements - \(canvaslms.com\)](http://what-are-canvas-browser-and-computer-requirements-(canvaslms.com))

ACADEMIC COURSE PREPARATION

Course Packet

About six weeks prior to teaching, faculty receive at their CIIS faculty email address a “Course Packet” which includes required forms and the timeline for handing in the forms. Completing the forms on time is essential in order for the Institute staff to be able to:

- assign classroom space
- order text books
- ensure syllabi are consistent with CIIS standards
- secure necessary library materials for your students
- receive timely payments

Form 1. Course Day and Time Request

This form asks for your preferred teaching times and dates. It asks you to make two requests. Please do so, as it is not always possible to fulfill the first or, sometimes, even the second.

Grading System

Departments/Programs determine the type of grade to be assigned for each course to assess student performance: A letter grade; a Pass/No Pass (P/NP); or Student Option (OP), meaning the student may select either a letter grade or a pass/no pass grade. To see which grading option your course is, view the CIIS Catalog, available on the CIIS website: <https://www.ciis.edu/academics/academic-catalog>

IMPORTANT: CIIS policy states that “P” is equivalent to “C” (not “C-”) or higher for undergraduate students; “B” (not “B-”) or higher for graduate students. “NP” is equivalent to “C-” or lower for undergraduate students; “B-” or lower for graduate students.

Form 2. Course Description & Syllabus Outline

This form asks for details regarding the class you will be teaching as well as a week-by-week topic description.

Form 3. Library Reserve Form

This gives information about how to reserve books or materials for your course, including how to place your own materials in the Library for your students.

Class Lists

Class Lists are electronically accessible on the Faculty tab in Self-Service.

View your Class List prior to your first class meeting, again after the Add/Drop deadline, and then again throughout the semester if students add or drop. If you have students in your class that do not appear on the class list, **do not allow them to remain in the class and immediately direct them to the Registrar’s Office**. If there are students on the class list that are absent without your permission, e-mail the names of those students to registrar@ciis.edu BY THE ADD/DROP DEADLINE and they will be dropped. Additional questions or issues should be addressed to the Registrar’s Office, 415.575.6126.

Library Reserves

Each semester, instructors are encouraged to use the wealth of CIIS Library resources when adopting course readings, and [linking to the resources in their syllabus](#).

Faculty may also place books, e-books, videos, and streaming videos on [Course Reserve](#) for their class. This service is designed to ensure that students have easier and more equitable access to the materials. It can also help to save students money on required readings!

The CIIS Library can make required course readings available to students including:

- Providing links to resources (e-books and streaming video) the CIIS Library owns or has access to that you can add to your syllabus or Canvas
- Purchase of course-required books, e-books, video, and streaming video that the CIIS Library does not have access to (depending on collection criteria, availability, and budget)
- Physical items on reserve shelves (where feasible)

Instructors can submit a [Library Course Reserves Request Form](#) in which they will list the required material for their class. The Library will then work to process the request and build a course-specific listing in our Library Catalog.

- Please submit course reserve requests before the start of every semester
- Up to 12 items may be placed on reserve for a class if they are required course materials
- Print copies of reserve books may be checked-out and read in the library for up to 2 hours
- Physical A/V materials must be viewed in the Library, or have pre-arranged class showing dates
- A course-specific reserves page for each class can be found in the Course Reserves

Listings in our Library Catalog

For more detailed information please visit: <https://library.ciis.edu/reserves/faqs>

Items not eligible to be put on reserve:

- Copies of video or audio tapes, CDs or DVDs
- Photocopies of book chapters or articles
- Course packets or readers

Requests can take up to two weeks to process, perhaps longer if we need to purchase items. Although we recommend submitting your requests as early as possible, we accept requests anytime.

Please note - Course Reserve requests expire at the end of the semester. We recommend filling out a new form before the start of every new semester so we can provide students with the most up to date and accurate information!

Course Textbooks and Readers

Please remember to adopt any required textbooks for your courses by logging into the CIIS online bookstore.

Bookstore

CIIS partnered with Akademos to host an online bookstore for our students. Prior to each semester, faculty are expected to log-in to the online bookstore (using their MyCIIS credentials) and adopt their course(s) required and optional textbooks. Akademos has great prices, offers used and rental options for some texts, and has an inventory akin to Amazon and other major outlets. Faculty can also create “coursepacks” (course readers) by uploading a PDF of the selected readings, which Akademos will then secure copyright permissions for and collect into electronic and/or print form for students to purchase. Please see the Faculty User Guide for further instructions about how to adopt textbooks and navigate the bookstore website.

The faculty adoption deadlines are typically 4 weeks prior to the beginning of each semester and are listed in the schedule included in this packet. Please note that even if your course(s) do not require textbooks, you must still log-in and select “no textbooks required” and submit. Thank you for your efforts to ensure that CIIS’s faculty textbook adoption rate is high and on time, which is crucial both for student success and for CIIS to avoid breach of contract with Akademos.

You will find a link to the online bookstore here: <https://ciis.textbookx.com/> If you are already signed into CIIS Connect, you should also be automatically signed into the textbook website after clicking on the link. The course(s) you are teaching should be listed. A tutorial video can be found here: <https://youtu.be/SQvDDYJtwXQ>

SYLLABUS TEMPLATE

Use this form as a guide in creating the syllabus for your course. Your syllabus may have a different arrangement or format, but it must contain all of the information below unless specifically noted as optional.

Instructors are to post syllabi on Canvas, CIIS's online learning management system, and can do this as soon as the course has been built into the class schedule. Submit the syllabus to the program coordinator two weeks before you post it, however, for the program to review it. We recommend it be posted to Canvas six weeks before the term begins, and require it be posted at least one week before. For assistance, contact CIIS' Office of Online Learning at onlinelearning@ciis.edu.

COURSE DESCRIPTION

Short description of the course, either from the course catalog or created by you. What are the big questions the course will address? How does the course connect to the curriculum?

COURSE GOALS (OPTIONAL)

A statement or list of what you hope to accomplish in this course.

STUDENT LEARNING OUTCOMES

Four to eight statements of what the student should expect to know or be able to do by the end of the course. Student learning outcomes need to be concise, teachable and assessable. They form the foundation of the course design.

- 1.
- 2.

COURSE TEXT AND MATERIALS

List required books and readings.

COURSE ASSESSMENT MEASURES

Specify how student learning will be assessed in the course, the weighting of the various assessments, and the due dates. If a paper is required, indicate the format to be used (e.g., ALA, Chicago, MLA); each program has a specified format.

COURSE CALENDAR

This is a week-by-week list of topics to be covered, materials to be read, special events and due dates for assignments. While the course calendar is required, instructors can signal that the plan is subject to change.

BIBLIOGRAPHY (OPTIONAL)

List suggested readings for research or greater depth in the subject matter.

RELEVANT POLICIES

It is strongly recommended that these policies be discussed with the students at the first class meeting. These are Institute policies and, as such, cannot be overridden by a program or instructor. You or your program may, however, enforce stricter versions of these policies. If so, then include those versions in your syllabus.

Class Attendance Policy

Students are expected to attend all class meetings regularly and punctually. Students are assigned an F (Failure) or NP (No Pass) grade if they are absent for more than 20 percent of a course. This maximum includes both excused and unexcused absences. Three instances of tardiness or leaving early are considered equivalent to one absence. Instructors may permit a

student to deviate from this rule on the grounds of illness necessitating confinement for 24 hours or more, a death in the family, or other extreme emergencies. The instructor may request verification of these circumstances by a letter from a medical professional, the Dean of Students, and OSAS as appropriate. Due to the nature of some courses, individual programs, departments, and instructors may enforce stricter policies than these. Check the program handbook and/or the syllabus of a course to see these policies.

Academic Integrity

Creative and original scholarly research is at the heart of the Institute's academic purpose. It is essential that faculty and students pursue their academic work with the utmost integrity. This means that all academic work produced by an individual is the result of the individual's efforts and that those efforts acknowledge explicitly any contribution by another person. Reproducing another's work and submitting it as one's work without acknowledging the source is called "plagiarism," or stealing the intellectual property of another, which is the antithesis of scholarly research. Any use of other ideas or others' expression in any medium without attribution is a serious violation of academic standards. If confirmed, plagiarism subjects a student to disciplinary action.

Policy on Incompletes (you or your program have the right to not allow incompletes)

Students anticipating being unable to complete a course may request permission from the instructor to receive an "I" (Incomplete) grade; students who have not completed the work required for a course are not to be given a passing grade in the course without completing the required work. CIIS courses are expected to be organized in a way that allows work to be completed during the semester the course is being offered. Below are the policies related to incomplete grades:

Permission to be given an "I" grade is given only in the following circumstances:

1. medical reasons documented by a health-care professional;
2. family emergency verified with supporting documentation; or
3. decision by faculty member based on exceptional pedagogical reasons.

The instructor has the right to refuse to grant an "I" grade.

The Registrar's Office does not record an "I" grade without receiving an Incomplete Grade

Request Form signed by the student and the instructor by the grade submission deadline. This form stipulates what coursework is remaining and its due date.

The instructor, not the student, determines the deadline for the remaining coursework. This deadline cannot exceed two semesters (including summer) from the last day of the semester in which the course took place and can be earlier. (For example, if the course is in fall 2011, the student has until the last day of summer 2012 to submit the work unless the instructor specifies an earlier deadline.) The maximum deadline for an Incomplete given for exceptional pedagogical reasons is one semester. This deadline is not extended for students who are on a leave of absence, become inactive, or refrain from registering for any semester while the work remains outstanding.

If the student does not submit the coursework by this deadline, the "I" grade converts to an "IN" (Permanent Incomplete). An "IN" is irreversible.

Students may not graduate with an "I" grade on their record even in an elective course.

Students may graduate with an "IN" grade on their record, provided that if the IN was for a required course, the student later successfully repeated the course.

The submission of an “I” grade by an instructor does not imply that that instructor will be a CIIS employee in a subsequent semester. It is the student’s responsibility to maintain current contact information for this instructor.

Students may not sit in on a subsequent semester’s offering of the same course in order to make up the coursework.

When submitting the remaining coursework, the student must include a signed Grade Change Form. The instructor uses this form to notify the Registrar’s Office of the final grade.

Credit Hour Policy

Unit of Credit Policy

At California Institute of Integral Studies, one credit hour is defined as a minimum of three hours of work by an average student for a 15- week semester (i.e., 45 hours for a full semester). That work is to be supervised by an instructor, represented in intended learning outcomes, and verified by evidence of student achievement. An hour of direct faculty instruction is defined as 50 minutes of classroom time.

CIIS' definition of a credit hour is consistent with federal regulation (CFR section 600.2), which defines a credit hour as “an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out -of- class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time, or at least an equivalent amount of work as required in paragraph (1) of this definition above for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

This work can be fulfilled in a variety of ways, including but not limited to direct faculty instruction and systematic outside reading; research under the supervision of an instructor; studio, field, clinical, or laboratory work; and internships, service learning, or directed study. One credit hour would be granted for specific types of courses as follows (this list is not intended to be exhaustive):

- 1) At least 15 contact hours of lecture, discussion, or seminar, as well as a minimum of 30 hours of student work outside the class, are required for each unit of student credit.
- 2) For courses in which classroom time does not apply (e.g., online or hybrid courses), one hour of direct faculty instruction is expected each week along with two hours of additional student work each week.
- 3) For courses wholly occupied with studio, field, clinical, or laboratory work, internships, service learning, or directed study, the amount of student work for the semester should constitute 45 hours for a 15- week semester, supervised by an instructor.
- 4) For courses in which direct faculty instruction is less than 50 minutes per week but is supplemented with additional student work (e.g., outside reading, directed research or projects, or experiments) so that the total is at least 45 hours for a 15-week semester.
- 5) For courses offered in fewer than 15 weeks, the same number of total hours must be completed as during the standard 15- week semester (i.e., 45 hours of combined direct faculty instruction plus student work per unit).
- 6) For workshops that have at least 15 contact hours and sufficient student work outside the workshop to make up a total of at least 45 hours of work.

It is understood that the hour requirements specified above represent minimums for average students and that considerable deviation in excess of these requirements may occur, particularly at the graduate level.

Exception to This Definition

The following academic requirements have unit assignments that are distinct from this definition:

Clinical Practicum (2 or 3 units per semester, classified as half- time enrollment); Internship (1 unit full-time, or 0.5 unit half-time); Comprehensive Examinations (3units, full- time); Dissertation Proposal Writing/Completion (0.1 unit, full-time); and Dissertation Seminar (0 unit, full-time).

Disability Accommodations

CIIS is committed to equal access for students with disabilities. In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, CIIS will not discriminate against qualified students with disabilities on the basis of disability in the programs and services provided to all students. Students with disabilities may register with the CIIS Office of Student Accessibility Services by providing documentation of disability status from an appropriate provider. The Office of Student Accessibility Services will then work with the student to identify areas for reasonable accommodation that will provide the student with the opportunity for access and participation in the academic environment. If you would like to request accommodations related to a disability, please contact sds@ciis.edu to register with CIIS Office of Student Accessibility Services.

Statement on Diversity

This statement is program-specific. It is within either the program's or the instructor's discretions to include it on the syllabus.

END OF TERM TASKS

Course Evaluations

Course evaluations are emailed to students directly on the last day of each course. Instructors will also receive an email allowing them to track student response rates. After grades have been submitted, instructors will receive another email allowing them to view evaluation results.

Please ensure your course end-dates are correct in the Schedule of Classes to ensure that students receive your evaluations on time. For any changes in end-date, please notify the registrar and your program coordinator immediately.

For questions or assistance about evaluations, Contact:

Jessica McGuire
jmcguire@ciis.edu

Submitting Grades

Instructors are expected to submit all grades online through Self-Service. Submission instructions can be found at this link:

<https://support.vclhub.com/knowledge-base/self-service-submitting-final-grades/>

If your program permits it, you may grant a student extra time to finish the course if they experienced either an extenuating personal or pedagogical circumstance (e.g., an assignment was fundamentally misunderstood). Direct the student to submit to you the [Incomplete Grade Request](#) form. The Office of the Registrar's will not record an "I" [Incomplete] grade without receiving this form from *you* – not the student – by the grade submission deadline.

Per the [Class Attendance Policy](#), students who miss 20% or more of a course, including excused and unexcused absences, fail the course.

A "W" grade is not an option to submit. Students have until the last day of a course to withdraw from it, which requires them to submit the [Registration Form](#) to you for your signature.

Adjunct faculty do not receive their final paycheck until all grades have been recorded.

For Technical Help, Contact:

Web Portal Administrator
support@uswired.com

TIPS FOR ADJUNCT FACULTY

COURSE PACKET

For each of your courses, complete and return the Course Packet to both your Program Coordinator and the Assistant Registrar if you have not already done so. Typically, this is completed up to 6 months in advance of your course.

CLASS SYLLABUS

Submit your syllabus to your program coordinator for approval; once approved, post it on Canvas.

All programs/departments post their syllabi on their Canvas class space. Step-by-step information about how to do this is available from either your Program Coordinator or by onlinelearning@ciis.edu.

TEXTBOOK ORDERING

Instructions for choosing textbooks and course materials via the Akademos website will be emailed to adjunct faculty.

LIBRARY RESERVES

While physical reserves are available, *electronic reserves are no longer available*. Library staff can assist in creating links to electronic resources for use in syllabi.

CIIS EMAIL

New adjunct faculty receive a CIIS email. If you are a returning adjunct and do not already have a CIIS email address, you can request one by emailing support@uswired.com

MID-SEMESTER REVIEW

Adjunct faculty are encouraged to conduct their own informal mid-semester review with their students.

Typically, this involves choosing a student to facilitate a 15 minute discussion with the class while the instructor waits outside the room. The student facilitator would then welcome the instructor back into the room to share a summary of the student feedback. The goal of this informal mid-semester review is to provide the instructor with feedback while the course is still underway, thereby allowing for changes in format, etc., during the second half of the semester.

CLASS LIST

Download your class list from Faculty tab in Self-Service:

1. On the day your course first meets and

2. On the day after the Add/Drop deadline

If there are any discrepancies between the list(s) and the attendees, immediately send an e-mail to registrar@ciis.edu

AS EACH COURSE ENDS:

COURSE EVALUATIONS

- Students will receive an email with a link to complete an online evaluation following the final class meeting of the semester. Instructors will receive an email allowing them to track their students' response rate, and a second email with the evaluation results once grades have been submitted.

GRADES

Submit grades online through Self-Service. Grades are due ten business days after the final class meeting.

Please note, the Office of Student Accounts issues an instructor's final payment only after the Registrar's Office confirms that all of their grades are submitted. Issuance of final payment generally takes ten business days. Evaluation results are also not returned until after grades have been submitted.

ACADEMIC POLICIES

Canceled Courses

While CIIS makes every effort to plan semester schedules to accurately meet the demand for courses, it does happen that enrollments into certain courses fall short of projection. With some exceptions, if a course taught by one instructor has fewer than nine students registered in it by the Late Registration Deadline, it is canceled. A course taught by two instructors must have 12 students. (Two auditors are equivalent to one student.) Course-cancellation decisions are made between the semester's Late Registration Deadline and the Add/Drop Deadline. Faculty are given a \$100 honorarium for the time dedicated for course preparation.

Class Attendance Policy

Students are expected to attend all class meetings regularly and punctually. Students are assigned an F (Failure) or NP (No Pass) grade if they are absent for more than 20 percent of a course. This maximum includes both excused and unexcused absences. Three instances of tardiness or leaving early are considered equivalent to one absence. Instructors may permit a student to deviate from this rule on the grounds of illness necessitating confinement for 24 hours or more, a death in the family, or other extreme emergencies. The instructor may request verification of these circumstances by a letter from a medical professional, the Dean of Students, or OSAS as appropriate. Due to the nature of some courses, individual programs, departments, and instructors may enforce stricter policies than these. Check the program handbook and/or the syllabus of a course to see these policies.

Grade and Coursework Evaluation Deadlines

All instructors and teaching assistants are to return assignments back to students with written comments by the following deadlines:

Feedback	Deadline
Comments on mid-semester assignment	Three weeks
Comments on final academic project	Three weeks
Comments on thesis/dissertation proposals or chapters	Three weeks*
Grade	Ten business days after course ends

* During the summer semester, the student and the thesis/dissertation chair and committee members are to agree upon the feedback deadline. Faculty are to be available by email, by phone, or in person if possible.

Written Feedback on Papers and Research Documents

It is expected that a faculty member will return tests and required papers to students **within three weeks** with appropriate comment and/or grade and will meet Institute grade deadlines.

CIIS programs do not store graded papers or supply students with mailboxes. In lieu of this, CIIS will pay for the postage required to mail students back their final papers.

Please tell your students that if they do not supply you with a self-addressed envelope when they submit their final paper, their papers will not be returned to them. After grading the paper, put it in the envelope, seal it, and give it to your program coordinator who will mail it.

Mid-semester assignments are returned to students within three weeks of receipt, provided that the student has met the deadline for submission of the assignment.

All written assignments receive written comments by the instructor and/or teaching assistant. Thesis and dissertation proposals and chapters are returned to the student with written comments within three weeks of receipt of the document. During the summer semester, the research student, chairperson, and committee members will agree upon the feedback turn-around time. Faculty will be available to their students by e- mail, phone, or in person.

Grade Changes and Appeal Procedure

Grading requires the instructor to evaluate a student's academic performance both objectively and subjectively. CIIS assumes that this evaluation has integrity and requires a student appealing the grade to supply evidence that the instructor made an error or was biased. Students may appeal a Fall or Summer grade no later than the last day of the following semester; a Spring grade, no later than the last day of the following Fall semester. The appeals process is completed by the end of the semester following the one in which the appeal was filed (excluding Summer). Procedure:

Students should address a concern about a grade to the instructor. Normally, grade appeals are resolved in the following way:

- If the instructor *agrees* to change the grade, the student submits the [Grade Change](#) form to the instructor, who should submit it to the department/program chair along with an explanation of the reasons for the change. If the chair approves of the change, they sign the form and submit it and the explanation to the vice provost, who is the chair of the Academic Standards Committee (ASC). If the vice provost approves of the change, the Office of the Registrar is notified, processes the change, and notifies the student, instructor, and chair. The registrar notifies the student, the instructor, and the chair of the vice provost's decision either way.
- If the instructor *does not agree* to change the grade, the student may write a statement explaining why the grade was based on instructor error or bias, attach supporting factual evidence, and submit it, along with the [Grade Change](#) form, to the chair of the program in which the course is housed. The chair may contact both parties to determine whether informal resolution is possible. If the instructor and the chair are the same person, the documentation is submitted to the vice provost, who brings it to the school's program chairs, who then designate one within their group to respond.
 - If resolution is achieved, the procedure in the first bulleted paragraph is followed.
 - If resolution is not achieved, the chair forwards the appeal to the Program Committee, which is composed of the program's core faculty members or an ad hoc Appeal Committee of faculty within the program or the school. The instructor whose grade is under dispute is

ineligible to be on the Committee. The Committee may contact both parties.

- If the Committee decides the grade is to be changed, it determines the new grade and forwards the [Grade Change](#) form to the Office of the Registrar, which updates the student's record and notifies the student and instructor.
- If the Committee decides the grade is not to be changed, it notifies the student and instructor.

The decision of the Committee is final; no appeals will be considered by deans, the provost, or the president.

Grade Option Request Procedure

Some courses are offered only for letter grades, some only for Pass/No Pass (P/NP), and some for either. Students may elect their option when they register online. This option may be changed up through the Add Deadline, but it is not possible to do so online; students must submit either a [Grade Option Change](#) form to the Office of the Registrar or send an email to registrar@ciis.edu. Emailed requests must originate from the student's CIIS email account. Students may not change a grade option past the Add Deadline, even with the instructor's permission.

Grade Scale

Only CIIS courses are used to compute the GPA, not courses transferred in from other schools. The University uses a four-point scale to calculate a grade point average (GPA). Grade point values are assigned as follows:

Undergraduate Grade Scale

Grade	Indication	Quality Points per Unit
A	Outstanding	4.0
A–	Outstanding	3.7
B+	Good	3.3
B	Good	3.0
B–	Good	2.7
C+	Average	2.3
C	Average	2.0
C–	Average	1.7
D+	Poor	1.3
D	Poor	1.0
D–	Poor	0.7
F	Failure	0.0

Graduate Grade Scale

Grade	Indication	Quality Points per Unit
A	Outstanding	4.0
A–	Very Good	3.7
B+	Good	3.3
B	Average	3.0
B–	Below Average, but Passing	2.7
C+	Failure	2.3
C	Failure	2.0
C–	Failure	1.7
D	Failure	1.0
F	Failure	0.0

These are Institute grade indications. Departments and programs may have indications that are stricter than these. For instance, a B, not a B–, may be required to pass a course. Consult the program handbook.

Grade	
AU	Audit
AW	Administrative Withdrawal
I	Incomplete
IN	Permanent Incomplete
IP	In Progress
NP*	No Pass
NS	Not Satisfactory
P**	Pass
TR	Transfer Credit
W	Withdrawal
X	Grade Not Received from Instructor

** NP equivalent to C– or below for undergraduate student; B– or below for graduate student.*

*** P equivalent to C or higher for undergraduate student; B or higher for graduate student.*

The following grades are considered unsatisfactory grades for probation purposes (see the Probation Policies in the “Academic Policies” section): AW, I, IN, NP, and NS.

Student Holds

The Office of Student Accounts and the Library apply holds to the accounts of students with outstanding financial obligations. Such holds prevent the student from registering, graduating, or receiving their diplomas. To remove a hold or inquire about its status, contact the Office of Student Accounts at 415.575.6132 or studentaccounts@ciis.edu, or the Library at 415.575.6180 or library@ciis.edu. Students who are provisionally admitted may register for only one semester. The Office of the Registrar applies a hold to students who are provisionally admitted and removes the hold when the student is fully admitted.

Incompletes

Students anticipating being unable to complete a course may request permission from the instructor to receive an “I” (Incomplete) grade; students who have not completed the work required for a course are not to be given a passing grade in the course without completing the required work. CIIS courses are expected to be organized in a way that allows work to be completed during the semester the course is being offered. Below are the policies related to incomplete grades:

1. Permission to be given an “I” grade is given only in the following circumstances:
 - a. medical reasons documented by a healthcare professional;

- b. a family emergency verified with supporting documentation; or
 - c. decision by faculty member based on exceptional pedagogical reasons.
- 2. The instructor has the right to refuse to grant an “I” grade.
- 3. The Registrar’s Office does not record an “I” grade without receiving an Incomplete Grade Request Form signed by the student and the instructor by the grade submission deadline. This form stipulates what coursework is remaining and its due date.
- 4. The instructor, not the student, determines the deadline for the remaining coursework. This deadline cannot exceed two semesters (including summer) from the last day of the semester in which the course took place and can be earlier. (For example, if the course is in fall 2023, the student has until the last day of summer 2024 to submit the work unless the instructor specifies an earlier deadline.) The maximum deadline for an Incomplete given for exceptional pedagogical reasons is one semester. This deadline is not extended for students who are on a leave of absence, become inactive, or refrain from registering for any semester while the work remains outstanding.
- 5. If the student does not submit the coursework by this deadline, the “I” grade converts to an “IN” (Permanent Incomplete). An “IN” is irreversible.
- 6. Students may not graduate with an “I” grade on their record *even in an elective course*. Students may graduate with an “IN” grade on their record, provided that if the IN was for a required course, the student later successfully repeated the course.
- 7. The submission of an “I” grade by an instructor does not imply that that instructor will be a CIIS employee in a subsequent semester. It is the student’s responsibility to maintain current contact information for this instructor.
- 8. Students may not sit in on a subsequent semester’s offering of the same course in order to make up the coursework.
- 9. When submitting the remaining coursework, the student must include a signed Grade Change Form. The instructor uses this form to notify the Registrar’s Office of the final grade.

Limit on Number of Incompletes

Program chairs are asked to discuss and assess the circumstances with any faculty member granting more than 20% of grades in a course as Incompletes. Programs in which more than 20% of the grades are Incompletes will be asked to provide a written explanation to the Vice Provost.

Adjunct Faculty Library Privileges

Adjunct Faculty have library privileges during the semester(s) in which they are teaching courses at CIIS; their library privileges expire at the end of the term and become active again when they next teach at CIIS.

Print and Electronic Resources

The Library's main goal is to provide resources and research assistance to support the academic work of the University. To further this goal, we maintain a collection of books, e-books, journals, e-journals, dissertations, streaming video, and other A/V curated to support CIIS programs and pedagogies.

A small sample of our subscription-only research tools and scholarly resources include, APA databases, MEDLINE, Humanities International Complete, PEP Web, LGBT Life full text, Psychotherapy.net, Alternative Health Watch, Archives of Research in Archetypal Symbolism, SAGE Research Methods, e-book packages from JSTOR, SAGE, EBSCO, and ProQuest, and e-journal packages from Science Direct, Wiley, Duke, SAGE, Oxford, and Taylor & Francis.

Research Assistance

Access is only one side to supporting graduate-level research (especially in the interdisciplinary and trans-disciplinary areas explored at CIIS), and so Library staff also provide extensive research assistance. Reference services are available virtually and in person, and via e-mail, phone and chat. Use contact information above or our chat widget on our home page for inquiries; [schedule an appointment](#) for in-depth individual assistance.

Library Instruction and Training

Librarians also offer [workshops](#) and in-class instruction sessions. To request class-integrated research instruction, orientations, and training, please fill out our [Library Instruction Request Form](#). Have questions about instruction? Please email help@ciis.libanswers.com.

Library Course Reserves

Each semester, instructors are encouraged to use the wealth of CIIS Library resources when adopting course readings, and [linking to the resources in their syllabus](#).

Faculty may also place books, e-books, videos, and streaming videos on [Course Reserve](#) for their class. This service is designed to ensure that students have easier and more equitable access to the materials. It can also help to save students money on required readings!

The CIIS Library can make required course readings available to students including:

- Providing links to resources (e-books and streaming video) the CIIS Library owns or has access to that you can add to your syllabus or Canvas
- Purchase of course-required books, e-books, video, and streaming video that the CIIS Library does not have access to (depending on collection criteria, availability, and budget)
- Physical items on reserve shelves (where feasible)

Instructors can submit a [Library Course Reserves Request Form](#) in which they will list the required material for their class. The Library will then work to process the request and build a course-specific listing in our Library Catalog.

- Please submit course reserve requests before the start of every semester
- Up to 12 items may be placed on reserve for a class if they are required course materials
- Print copies of reserve books may be checked-out and read in the library for up to 2 hours
- Physical A/V materials must be viewed in the Library, or have pre-arranged class showing dates
- A course-specific reserves page for each class can be found in the Course Reserves Listings in our Library Catalog

For more detailed information please visit: <https://library.ciis.edu/reserves/faqs>

Items not eligible to be put on reserve:

- Copies of video or audio tapes, CDs or DVDs
- Photocopies of book chapters or articles
- Course packets or readers

Requests can take up to two weeks to process, perhaps longer if we need to purchase items. Although we recommend submitting your requests as early as possible, we accept requests anytime.

Please note - Course Reserve requests expire at the end of the semester. We recommend filling out a new form before the start of every new semester so we can provide students with the most up to date and accurate information!

Renewals and Hold Requests

Patrons request renewals themselves, by [logging in to their personal account](#) in the CIIS Library catalog, linked from the main Library webpage. Patrons may also request items currently on the shelves, and/or items currently checked out, by [placing a hold request](#) when logged into their personal account. When one of your requested items becomes available, it will be held for you at the Circulation desk in the Library for 1 week. First-time users, our system uses your CIIS email credentials to log in. You must have received your CIIS email credentials from IT before you can place holds, however, you do not need to log in to search the catalog.

Interlibrary loan

Faculty are encouraged to use interlibrary loan (ILL) services for materials not available in CIIS collections. We do not charge for our services; although the patron is responsible for any fees charged by the lending library, you can specify whether you are willing to pay a fee or nothing when you make the initial request. Our policies, procedure, and login can be found here: <https://library.ciis.edu/ill>. You can have up to 12 active ILL requests at a time. Requests statuses can be tracked within your library account.

Recommendations for Purchase

If you have title suggestions for purchase to add to the general library collection, please fill out our [Purchase Suggestion Form](#). You may also contact your program's [library liaison](#).

Patron Responsibilities

All library patrons, including faculty, are responsible for proper care of library materials, and will be held liable for replacement costs for any material lost, stolen, or damaged when in their care. All library patrons are also responsible for any fee incurred for services they request (e.g., interlibrary loan fees); and likewise for all fines incurred for overdue materials. Library policies are explained in more detail in the [Library Services tab](#) on the Library Web site. Library privileges and/or access may be suspended or revoked for violation of these policies.

Remember: Always check the [Library Web site](#) and [Faculty Services](#) page for our most current hours, and our up-to-date policies and procedures.

OPERATIONS

The Office of Campus Experience & Events provides the following services: reception, ordering office supplies, processing mail, classroom support, events support, audio-video equipment and room reservations.

The Facilities & Business Operations department provides the following services: security, building maintenance and improvements, keys, janitorial, maintaining copy machines and other equipment.

Outgoing Mail

All outgoing CIIS mail requires that the sender write the Program Code on the front of the mail piece. Outgoing Mail Drop located at the 4th floor reception desk at 1453 Mission Street CIIS does not pay for postage on personal outgoing mail; mail with its own postage will be sent out.

Copy Machines

A copier is available on each floor; each requires a four-digit code in order to operate. Please see your Department/Program Coordinator to receive your code.

Facilities at CIIS

If you ever find something is broken in a classroom please send a message to Facilities to help ensure that the issue gets resolved promptly.

For Facilities related requests, Contact:	Maintenance@ciis.edu
For Questions or Training Relating to CANVAS or Classroom Audio/Visual Equipment, Contact:	OnlineLearningSupport@ciis.edu
For assistance with processing Audio/Visual requests, Contact:	OperationsRequests@ciis.edu 4 th Floor Reception Or 415.575.6101 415.655.5566

UNIVERSITY POLICIES

Chosen Name and Identity Policy

Whether the desire or need for a chosen name and identity derives from circumstances involving gender identity, marital, political, spiritual, or religious preferences, CIIS seeks to foster a campus environment that both encourages self-expression and affirms identity.

CIIS acknowledges and honors the fact that CIIS faculty, staff, and students, including certificate and Public Programs participants, may have a name that is different from their legal name and related pronoun(s), salutation, and chosen identity for sex, sexual orientation, gender, and ethnicity.

CIIS students, faculty, and staff may use lived names other than their legal name to identify themselves, regardless of whether they have legally changed their name, except where their legal names are required by law or regulation.

In accordance with this recognition, every attempt will be made by the University to honor students' and employees' preferences in the establishment, maintenance, and communication of records, reports, lists, and electronic portals. CIIS records will reflect individuals' preferences wherever legal requirements or system constraints do not dictate the use of legal name and limited identity choices.

Most CIIS systems allow records to be updated by staff acting on behalf of the requesting individual. Students and employees should be aware that CIIS is required to maintain certain records and report data in accordance with federal regulations that do not provide the same breadth of categories and options as CIIS.

CIIS reserves the right to ensure that individuals' preferences:

1. Are in compliance with other University policies that prohibit providing false or misleading information
2. Are not being used to misrepresent, be fraudulent, or avoid legal or financial obligations
3. Do not violate copyright
4. Do not include offensive, harassing, obscene, or derogatory language

A chosen name must still provide some meaningful identity of the individual to other students, faculty, and staff. Inclusion of numbers, symbols, and emojis is not allowed.

Chosen names identified as potentially not in compliance with this policy will be reviewed by a committee composed of representatives from core student system functional areas. Students or employees who feel their preferences were unjustly denied may file an appeal with the President (faculty or staff) or Provost (students).

Where chosen name, pronouns, and identity are used by default:

Admissions records

ID cards

- CIIS email accounts
- CIIS email distribution lists
- Class lists (outside of Canvas)
- Canvas
- Colleague – Self-Service
- Unofficial transcripts

- Library
- Diplomas
- Internal (CIIS) reports not requiring distribution to external agencies
- Alumni records

Where legal name and identity are required to be used:

- Professional licensure forms and documents
- Visas and other immigration documents
- Employment records, verifications, and paychecks
- Payroll and tax documents
- Mandated reports to the US Department of Education and other federal and state agencies

Procedures for Designating Preferences

Faculty and Staff: Colleague has a Self-Service procedure for creating a chosen name; this will be used in records and correspondence that do not require use of the legal name.

Legally Changing Your Name

1. **Faculty and Staff:** Contact the Human Resources Office. You must include photocopies of identification materials that may include: a court order, a driver's license, a passport, a marriage license, a divorce decree reinstating a maiden name, adoption papers, or a uniformed service military ID.

Office Contacts for Chosen Name and Identity Policy

1. Faculty and Staff: Human Resources Office

Resources for Education and Support

Support for students and employees navigating issues of identity: [Office of Diversity, Equity, and Inclusion](#).

Drug-Free Campus Policy

The misuse and abuse of drugs (controlled substances) and the abuse of alcohol can lead to serious health problems, including addiction, severe disability, and even death. In response to these concerns, the US Congress passed the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989.

In accordance with these acts, CIIS has enacted a policy maintaining a drug-free workplace and campus. The unlawful manufacture, distribution, dispensation, possession, and/or use of controlled substances or the unlawful possession, use, or distribution of alcohol is prohibited in CIIS facilities, in the workplace, or as part of any of the University's activities. The workplace and campus are presumed to include all premises where activities of the University are conducted. Violation of this policy may result in disciplinary sanctions up to and including termination of employment or expulsion of students.

Violations may also be referred to the appropriate authorities for prosecution.

Furthermore, federal, state, and local laws regulate the unlawful manufacture, distribution, dispensation, possession, and/or use of controlled substances or alcohol. These laws impose sanctions for both misdemeanor and felony convictions. Criminal penalties for convictions can range from fines and probation to denial or revocation of federal benefits (such as student loans) to imprisonment and forfeiture of personal and real property.

CIIS encourages any staff, faculty, and/or students who are concerned about substance use, abuse, and rehabilitation to contact a physician for a referral to confidential substance abuse counseling. If a student is expelled or terminated as a result of violating the drug-free policy,

CIIS will consider an application from the individual for reinstatement only after the student successfully completes a rehabilitation program (including after-care).

CIIS faculty are prohibited from using their standing as professors to assist others to illegally use entheogenic, psychedelic, entactogenic (amphetamine-like, e.g., ecstasy, MDMA, 5-APB) and other controlled substances. Academic research approved by the University does not constitute such assistance. Students who are concerned about substance use, abuse, and rehabilitation are strongly urged to contact their family physician, who can refer them to appropriate resources (community or private agencies) that provide complete, confidential substance abuse counseling. The Drug-Free Campus Policy is available online on the CIIS website [here](#).

FERPA—Students' Rights Regarding Their Education Records

California Institute of Integral Studies (CIIS) maintains student education records in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), Public Law 93-380, as amended. FERPA affords students these rights with respect to their education records:

1. The right to inspect and review the student's education records within 45 days after the day CIIS receives a request for access. A student should submit to the registrar, Dean, head of the academic department, or other appropriate official a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. The educational records are the property of CIIS, and CIIS will not supply copies to the student, unless the student is unable to view them otherwise (i.e., it is impossible for the student to come to CIIS). In that case, photocopies will be supplied at 25 cents per image.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Students who wish to ask CIIS to amend a record should write the school official responsible for the record, clearly identify the part of the record they want changed and specify why it should be changed. If CIIS decides not to amend the record as requested, it will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before CIIS discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. Such authorization includes the following:
 - a. To school officials with legitimate educational interests. A "school official" is a person employed by CIIS in an administrative, supervisory, academic, research, or support staff position (including security personnel); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee; a volunteer or contractor outside of CIIS who performs an institutional service or function for which CIIS would otherwise use its own employees and who is under the direct control of CIIS with respect to the use and maintenance of PII from education records. Examples of the last could include an attorney, auditor, or collection agent, or a student volunteering to assist another school official in performing their tasks. A school official has "legitimate educational interests" if the official needs to review an education record in order to fulfill their professional responsibilities for CIIS.

- b. FERPA permits an institution, for the purposes of conducting its functions, to identify a subset of students' PII as "directory information" that can be disclosed without the student's prior written consent. Directory information is considered not generally harmful or an invasion of privacy if disclosed. CIIS designates only the following as a student's directory information: full name, address, email address, telephone number, photograph, program of study, dates of attendance, enrollment status (e.g., full-time, half-time), participation in officially recognized activities, and degree and awards received. Students may direct CIIS to not disclose their directory information. To initiate or revoke this directive, students should contact the registrar.
- c. Upon request, to officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. FERPA requires a school to make a reasonable attempt to notify each student of these disclosures.
- d. To authorized representatives of the US Comptroller General, the US Attorney General, the US Secretary of Education, or state and local educational authorities. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of federal- or state-supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

NOTE REGARDING POINT D: As of January 3, 2012, the US Department of Education's FERPA regulations expand the circumstances under which student education records and PII contained in such records — including Social Security Number, grades, or other private information — may be accessed without the student's consent. First, the US Comptroller General, the US Attorney General, the US Secretary of Education, or state and local education authorities ("Authorities") may allow access to records and PII without consent to any third party designated by an Authority to evaluate a federal- or state-supported education program. Second, Authorities may allow access to education records and PII to researchers performing certain types of studies — in certain cases even if the school does not request or even objects to such research. The Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive the students' PII, but the Authorities need not maintain direct control over such entities. Additionally, in connection with Statewide Longitudinal Data Systems, state Authorities may collect, compile, permanently retain, and share without students' consent PII from education records, and may track students' participation in education and other programs by linking such PII to other personal information obtained from other federal or state data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

- e. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
- f. To organizations conducting studies for, or on behalf of, the school, in order to (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
- g. To accrediting organizations to carry out their accrediting functions.
- h. To parents of an eligible student if the student is a dependent for IRS tax purposes.

- i. To comply with a judicial order or lawfully issued subpoena.
- j. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
- k. To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceedings with respect to that alleged crime or offense, regardless of the finding.
- l. To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school's rules or policies with respect to the allegation made against them.
- m. To parents of a student regarding the student's violation of any federal, state, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21.

FERPA requires CIIS to record the disclosure of PII from the student's education records except for disclosures (a) to the student; (b) to school officials; (c) of directory information; and (d) as related to some judicial orders or lawfully issued subpoenas. Students have a right to inspect the record of disclosures.

4. The right to file a complaint with the US Department of Education concerning alleged failures by CIIS to comply with the requirements of FERPA. The Office that administers FERPA is:

Family Policy Compliance Office US Department of Education 400 Maryland Avenue, SW
Washington, DC 2020.

Firearms Policy

No firearms or any other dangerous weapons are permitted at the University.

Policy for the Protection of Students from Sexual Misconduct

CIIS is committed to maintaining its campus and programs free from all forms of sexual misconduct. This particular policy is geared most directly to the protection and safety of students.

By this policy, all forms of sexual misconduct, including sexual and gender-related — violence, assault, harassment, domestic violence, dating violence, and stalking — are prohibited and will be promptly responded to with disciplinary or other corrective action measures that are appropriate.

This policy also explains the procedures of CIIS that allow for fact-finding for those students who find themselves to be victims of sexual misconduct and to provide ways in which the University supports and protects its students.

This policy applies to misconduct whether it occurs on CIIS property or anywhere else that has a connection to sponsored events or programs involving the University. Off-campus conduct that the University thinks can interfere with students having a safe or welcoming experience or education at the University, or that poses a threat or danger to the CIIS community, is still within the University's oversight for the protection of our students, and any incidents should be brought to our attention.

Getting Help: CIIS encourages all members of the CIIS community who believe they have been victims of sexual misconduct to report these incidents to local law enforcement authorities and to seek medical attention as needed.

Statement of Nondiscrimination

The University does not discriminate in its educational programs or services on the basis of race, color, religion, religious creed, ancestry, national origin, age (except for minors), sex, marital status, citizenship status, military service status, sexual orientation, medical condition, disability, gender identity, and any another status protected by law. The University will implement reasonable accommodation for qualified individuals with disabilities to the extent required by law.

CIIS does not permit discrimination or harassment in its programs and activities on the basis of race, color, national origin, ancestry, sex, gender, gender identification or expression, sexual orientation, disability, age, religion, medical condition, veteran status, marital status, or any other characteristic protected under law.

Unlawful Discrimination Policy

The policy of California Institute of Integral Studies is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, be denied the benefits of—or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in—any program or activity that is administered by, is funded directly by, or receives any financial assistance from California Institute of Integral Studies.

Employees, students, or other persons acting on behalf of the Institute who engage in unlawful discrimination as defined in these policies or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

Smoking Policy

For the health, safety, and comfort of everyone, smoking and vaporizing are not permitted anywhere or at any time within the buildings and facilities and during indoor or outdoor events. The University is committed to full compliance with state law and prohibits smoking and vaporizing in all enclosed workplaces.

Communication Policy

CIIS uses the following electronic means to communicate to students:

(1) the CIIS website, (2) the University-issued email account, (3) the CIIS student portal, and (4) the online learning platform. CIIS presumes that students will read these communications in a timely fashion. Not reading them does not absolve a student from knowing and complying with them.

CIIS MyMail email is the mechanism for official communication within CIIS. CIIS has the right to expect that such communications will be received and read in a timely fashion. Students are expected to read, understand, and appropriately respond to official administrative emails. Students will be responsible for any official administrative communication sent to their CIIS email account. This will be the only email address to which official administrative communication will be sent. Students should check their emails frequently, as it is the official form of communication at CIIS.

Faculty, Staff, and Students are expected to use the CIIS email account when communicating with the University and to not share their password with anyone. Passwords are reset regularly. These measures allow CIIS to verify that the email is coming from the student and that further correspondence will not disclose the student's information to others. Students contacting CIIS faculty and staff through a personal account will be asked to re-contact us using the CIIS account. This is true even for students who have set the account to redirect to a personal one. See the "Student Email Policy."

Faculty are requested to refer to this policy in their syllabi.

The Jeanne Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f) as part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose timely and annual information about campus crime and security policies. All public and private institutions of postsecondary education participating in federal student aid programs are subject to the Act. For a complete report of CIIS's statistics, visit the CIIS Catalog.

TITLE IX POLICY AND PROCEDURE FOR GOVERNING STUDENTS AND EMPLOYEES

Please review the Title IX Policy and Procedure at the CIIS Connect site here:

You should have also received the Policy and Procedure document as part of your onboarding, if you did not, please contact hr-faculty@ciis.edu for a copy.

Romantic or Sexual Relationships; Other Dual Relationships

(a) The University recognizes that romantic or sexual relationships between any faculty member or member of the administration and any student presents substantial opportunities for actual or perceived conflicts of interest, imbalances of power (and thus subtle or overt coercion), miscommunication about consent, and favoritism, among other possible negative consequences. For these reasons, the University prohibits any romantic or sexual relationship, whether regarded as consensual or not, between a faculty member or member of the administration and either

- (i) a CIIS student, or
- (ii) another University employee over whom that faculty member has supervisory or evaluative authority, or can be reasonably expected to do so in the future. "Romantic or sexual relationship" is defined to include any relationship that a reasonable observer would consider to involve dating or romantic or sexual intentions or actions, without regard to the length of the relationship.

(b) If the relevant faculty member or member of the administration believes that unique factual circumstances make these policy considerations inapplicable to a specific dual relationship (e.g., a romantic relationship that began before one or both parties occupied the roles that make the relationship problematic), they may request review and written approval for the relationship by the Provost or the Provost's designate. The Provost or the Provost's designate will respect confidentiality considerations to the maximum degree that is practical, and may require a management and review plan, or provision of alternate teaching, supervisory, or evaluative authority, to reduce the risk of unfavorable consequences from the relationship. The failure of a faculty member or member of the administration considering such a relationship to request and obtain this written permission is a violation of this policy. Only under unusual circumstances will the Provost or Provost designate consider giving permission for such a dual relationship because it is inherently disruptive to a student's unencumbered course of study to have any dual relationship.

(c) Other dual relationships are also potentially problematic. For example, if a faculty member or member of the administration has a private practice as a psychotherapist, they may not serve as therapist for either of the two categories of person listed in part (a), above. Any other form of dual relationship that involves financial exchange or exchange of services directly between the faculty member or member of the administration and a person in either of those two categories should be submitted in writing to the Provost or the Provost's designate for review and written approval prior to initiation of the dual relationship. The failure of a faculty member or member of the administration considering such a relationship to request and obtain this written approval in a timely manner is a violation of this policy.

(d) The University will impose appropriate discipline on faculty members and members of the administration found to be in violation of this policy on dual relationships, under the informal and formal procedures set forth in part VIII.F.2 of the Core Faculty Handbook.

Criminal and Violent Behavior and Workplace Violence Policy

The Institute maintains a Workplace Violence Policy, a copy of which is available in the Office of Human Resources. In the event of a campus incident created by individuals or groups involved in violent, criminal or abnormal behavior or disturbances, the following actions should be taken. If you feel any danger, immediately call 911 from any campus phone or payphone. Then contact the Front Desk or Lobby Security in person or by dialing 0 from any campus phone or 415.575.6100 from any non-campus phone. Provide the reception staff and Public Safety Officers with the following information if possible:

1. Nature of the incident
2. Location of the incident
3. Description of the person or persons involved
4. Description of the property involved

All individuals should avoid risks in dealing with or observing any suspicious situations or criminal offense.

Filing a Grievance

Adjunct faculty members should contact the Human Resources Office in the event they wish to file a grievance. HR is located on the 5th floor of the Mission Street Building and the phone number is 415.575.6161.

Impaired Performance on the Job; Unlawful Use of Controlled Substances or Alcohol in the Workplace

Performance problems on the job can have many causes. In discussions with an employee concerning any performance problem, the supervisor should offer to help the employee determine the source of the problems and offer guidance on appropriate assistance, counseling, or other resources.

When job performance has become impaired, the supervisor should take normal corrective action, beginning with discussion with the employee. When the behavior of an employee on the job raises safety concerns for the employee and/or others in the workplace, the supervisor must take immediate action to assess the situation; in such cases employees must not be allowed to continue on the job. Specific actions to be taken depend upon the facts of the particular situation.

In a situation in which an employee acknowledges to the supervisor that poor performance or unacceptable conduct results from substance abuse, the supervisor should urge the employee to seek help from a qualified substance abuse treatment resource. If the employee chooses to seek help, he or she should be referred to appropriate sources. If the employee requests a leave of absence for a rehabilitation program, the supervisor should take normal steps to review the request for such a leave. Supervisors should make reasonable accommodation consistent with operational requirements.

If the employee demonstrating poor performance or unacceptable conduct claims causes other than substance abuse are causing the problem, or does not elect to seek help for whatever is the cause of the problem, the supervisor first should counsel the

employee in the ways his or her actions on the job need improvement or are unacceptable. If improvement does not take place, the employee should be warned that the poor performance can result in discipline, including termination of employment. Managers should consult with their supervisors to decide upon an appropriate form of action.

Getting Help

Employees and students who are concerned about substance use, abuse, and rehabilitation are strongly urged to contact their family physicians who can refer them to appropriate resources (community or private agencies) that provide complete, confidential substance abuse counseling.

Legal Sanctions

The unlawful manufacture, distribution, dispensation, possession, and/or use of controlled substances or alcohol is regulated by a number of federal, state and local laws. These laws impose legal sanctions for both misdemeanor and felony convictions. Criminal penalties for convictions can range from fines and probation to denial or revocation of federal benefits (such as student loans) to imprisonment and forfeiture of personal and real property.

HUMAN RESOURCES & ONBOARDING INFORMATION

Adjunct Faculty Contract

We welcome you to CIIS. You have been sent a contract that outlines your duties, rank, salary amount, and policies. If you have questions about your contract, contact:

Amanda Poag, Academic Human Resources Coordinator hr-faculty@ciis.edu

Onboarding

The Human Resources Office will contact you to provide a link to book an onboarding session to CIIS.

Adjunct faculty are required to record their hours in an electronic timesheet; we will guide you through this process in the onboarding.

You should have a CIIS email address. If you have not received an email from US Wired with instructions for setting up your CIIS email address, please email them directly at support@uswired.com. It is your responsibility to check this email address frequently. All official communications are sent to your CIIS address.

The forms and information below will be sent to you at your CIIS email address. **It is important that you complete the information in order for you to be paid.** Please complete the information as soon as possible. If you have questions, contact hr-faculty@ciis.edu

- Welcome Letter
- Adjunct Staff Handbook
- I-9 Employment Eligibility Verification Form
- W-4 Employee's Tax Withholding Form & a link to State Tax Forms
- Employee Self-Service Information
- Direct Deposit form (Employee Self-Service)
- Emergency Contact Information
- Personal Information Sheet
- Technology Policy
- Fraud & Whistleblower Policy and Acknowledgement form
- FERPA Training Information Sheet
- Drug Free Workplace CIIS Employee Agreement
- Employee Technology Acceptable Use Policy

Payment Information

Payment for adjunct faculty occurs semi-monthly at the beginning and end of each month during the semester in which you teach. Adjunct faculty are paid hourly based on hours submitted in Employee Self-Service - Time Entry.

If you are unable to access Employee Self-Service, please contact DoT@ciis.edu. Instructions for timekeeping have been forwarded to you upon onboarding. Please reach out to HR-Faculty@ciis.edu if you need additional assistance with entering hours worked in the Employee Self-Service timekeeping system.

Required Trainings

You are required to complete three mandatory online trainings:

- Cybersecurity
- FERPA

- Anti-harassment / Title IX

Details will be sent to you after the Human Resources Office has received your paperwork.

A payroll timeline schedule is available on [CIIS Connect](#). If you do not enter your time, or miss the deadline, please reach out to your supervisor, or program chair. Your supervisor, or program chair must approve your hours and update your timekeeping record.

Direct deposit of your pay is the most secure and reliable method of payment. This can be set up within the payroll system. You will need to enter your banking information via the Employee Self-Service portal. If you have any difficulties, please contact HR-Faculty@ciis.edu

If you believe that your pay is incorrect, please contact HR-Faculty@ciis.edu

Adjunct Expenses

Each adjunct faculty receives a \$100 per semester per department to approximate the maximum costs of any personal electronic devices for use in performing work for CIIS. This will be paid with the first paycheck of your contract and is not generally subject to taxation. If you incur work-related expenses beyond that amount for personal electronic devices or for other expenses, you must contact your program chair or dean in advance about the expense and await a response. All approved expenses will be reimbursed.

Timekeeping

CIIS complies with California law regarding adjunct faculty timekeeping. You must enter the time you work both during class and after in Employee Self-Service. You will be paid for all hours worked. Hours worked beyond those contracted must be approved by your Program Chair and the Associate Provost.

Paid Time Off

Sick Leave

All employees receive 1-hour sick leave for every 30 hours worked per year.

If you require time off because of illness contact your Program Chair as soon as possible.

Additionally, enter your sick time in Employee Self-Service - Time Entry.

Extended Sick Leave

If you are or know that you will be absent more than three (3) days, contact your Program Chair, the Associate Provost, and HR-faculty@ciis.edu. For extended leaves, beyond seven (7) days, CIIS integrates with State Disability Insurance. Contact HR-faculty@ciis.edu if you have questions.

Maximum Units

The maximum units allowed without approval of the Vice Provost are 12 units per semester.
